

TOWN OF KENDUSKEAG MAINE

INCORPORATED 1852

ANNUAL REPORT OF THE MUNICIPAL OFFICERS FOR THE MUNICIPAL YEAR 2023-2024

NOTICE:

The **ANNUAL TOWN MEETING** will be held in two sessions. On March 28, 2024 from 10:00 am to 6:00 pm the election of officers will be held at the town office. On March 29, 2024 beginning at 7:00 pm at the municipal building, the business meeting will be held. Please inform us prior to town meeting of any special requirements you may have due to a disability.

PLEASE BRING THIS REPORT WITH YOU

Dedication

This year the Town of Kenduskeag town report is dedicated to Bert Mandigo. Bert has been on the select board for almost 26 years and this year he decided to retire.

Bert started in June of 1998, and since then has missed only a handful of meetings in the roughly 624! He always makes sure the office crew is safe and comfortable. One of his first acts was to get an A/C for the office and there was also a time when he came to our rescue when we were locked inside and couldn't get out!

Bert's first passion is his beautiful wife Edna, but his love of all things road related is legendary. Kenduskeag has no dirt roads thanks to him. We are on a set paving schedule for each road so we don't have to borrow any money. We have a spacious new sand/salt shed that Bert worked tirelessly on. Now we can fill er up and not have to worry about higher prices for material later in the season.

There are so many memories and accomplishments that Bert has played a part in. Here are what a few people that has worked with say!

Sheila Doughty *"While I have only been on the board for a few terms, the one constant was Bert Mandigo. He is a good honest man with a vast array of knowledge that has served the Town of Kenduskeag well through the years. He is a dedicated and thoughtful man that always gone above and beyond to make sure everything is done in a fair and just manner. It is rare to find a colleague who inspires me in the way he has. The Town of Kenduskeag is very fortunate to have such a man not only to be a part of our community but also serve it as well as Bert has."*

Mike Bishop *"Bert always has the Town's best interest in mind and it doesn't matter what time of day it is. He is always thinking what would be the best route to accomplish a project and how to finance it while keeping the Town cost at a minimum. He is always investigating different leads to benefit the Town. He and the information he carries will be very much missed at the regular meetings."*

Elena Reed *“Bert has taught me a lot over the short amount of time I have worked with him. The one thing that I would pick, that is the most important, is how he puts the Town people first. It sounds simple, but it is a huge feat to do what is best for all not just one. You have to take yourself out of it and that is what he did.”*

Sandy Preston *“How to adequately describe my time working with Bert. So hard. I want to thank him for teaching me so much (maybe a little too much about roads), and always “having my back”. There are way too many stories and memories to list. He has so much information that can’t be replaced, so we will definitely keep him on speed dial.”*

Thank you Bert, we are going to miss you.

Select Board Report

To the Residents of Kenduskeag,

The Kenduskeag Selectboard would like to offer our sincerest appreciation to the town employees and elected officials who have continued the daily business of Kenduskeag. Operating a business the size of a town is not an easy task. The level of dedication that comes from those who answer phones and emails, keep the steady stream of paperwork up to date, make sure the bills get paid, and maintain the constant juggling act that goes with running a business the size of a town is nothing short of amazing.

With the windstorms we have had, there were not many roads that the windstorms didn't throw trees or debris around for us to clean up. We will be working on the north end of the Mudgett Road, doing some ditching as needed and then grinding and putting a coat over the top of it. With a good base, we are hopeful this will last us a while. We will also be paving our half of the Black Road and Levant will also be paving their half.

Thank you to all the committees, departments and volunteers for your time and support. We are grateful for the time and effort each of you put in and expect great things in the future.

Thank you for allowing us to serve the Town of Kenduskeag.

Respectfully submitted,

Bert Mandigo

CEMETERY ASSOCIATION REPORT

Kenduskeag Cemetery Association has been busy and have accomplished a lot. Several dedicated members have cleaned several stones this year. We thank them for the devotion of their precious time.

Several large trees were removed, and part of the fence was painted. Next year we hope to remove and grind the tree stumps.

Cleanup Day was done in the spring with Kenduskeag Girls Scouts and members of the Kenduskeag Masonic Lodge #137. Flags and medallions were placed at each veterans' lot with a salute and recognition of their name thanking them for their service. It is a privilege to be able to honor each one of them.

A plaque has also been installed in the Village Cemetery. This states that the original stones that were damaged from the vehicle accident of two years ago have been replaced with new stones and that the fragments left, have been retained in the Cemetery. Plans are also for next year to erect a board for the World War I Veterans. Flowers were also planted around the flagpole, cannon, and veterans' monuments.

Plans are also to move the fence toward the Rozelle Farm a short distance on land that the town already owns per discussion with the Selectmen of Kenduskeag to make more lots available. Next year's plans are also to pave a small area at each entrance of the roads to prevent further damage from erosion.

Maine Gravesite Maintenance also did repairs on some of the most deteriorated stones.

The Association is pleased to have Colin Wheeler, a Central High School student, from Bradford as a member. He has earned some of his graduation credits by painting the fence. He has also done a 5-year maintenance of the Cemetery and cleaning of the stones.

We hope to do more maintenance next year at the Weeks Cemetery.

Respectfully submitted,

Carlah Bishop, Secretary

Case Memorial Library Report

884-8598

Our Library has had a busy year, we first began to form how our new library might look. Thanks to our citizens support, both monetarily and with land. Our new building will be near the old Kenduskeag elementary school. Centrally located for all citizens, to enjoy. We hope this will help the whole community use our books, as well as children's programs, adult offerings meeting rooms for the community, and possible a place to hold town meetings. Most important of all we will have bathroom facilities and running water! A huge improvement!

A special thank you to Susan Collins for her help in applying successfully for a grant. We are grateful to our donors who help us with our building campaign, as well as snacks, art supplies. Rudman foundation has helped us for the past couple of years. Each contribution brings us closer to our goal.

A fun project we participated in was the "Dirigo Treasure Hunt" We were one of the treasures that needed to be found. They finally found all pictures and won \$20,000.

Our Library held three "meet the Author" opportunities. The authors were local: Kaitlyn Furge, Jack Brady, and Diane & Ned Smith. All three were different.

Don't forget that if you can't find a book with us, we are paired with all the libraries in the state on the interlibrary system. We also participate with the cloud library that gives access to 20,000 books.

We have been working on fund raisers too. From thanksgiving pies, t-shirts, earrings and photos taken at canoe race.

We can't forget our youth. The older kids have been learning how to make films like you see in the movies. Such an opportunity. They also love to play dungeons & dragons and chess. Our "littles" enjoy "toddler time" where they hear a story, have snacks and play.

We thank our community for all their support! Come in and see us!

Haunted House Volunteers Needed!

2023 Recap: We had a great 2023 featuring the Easter Egg Hunt, Instructional Baseball & TBall, Soccer and our Annual Haunted House. Thank you to our coaches, volunteers and those who made donations! We hope to see more kiddos join our rec. sports for 2024.

Bring Back Farm League

Fact: REC SPORTS ARE AT AN ALL TIME LOW!
Fact: Kenduskeag has one of the nicest ball fields in the area!
Fact: Farm League wants us back! We just need the players!

Haunted House News: The LONGEST running Haunted House in Maine on record? You bet! This year marks our 40th Anniversary! What a great time for new people to get involved! We hope to make this the biggest and scariest year yet!

How can you help?:

The Kenduskeag Rec. Department is 100% volunteer based.

We NEED help to continue providing rec. sports and events for the children and people of our beautiful town. Volunteering comes in many forms: coaching sports, help before and after events, advertising, collecting donations, striping ball fields, etc. Our BIGGEST fundraiser is our Haunted House, and this year is a BIG ONE... The 40th Annual! We are looking for new faces to help with constructing HH, participating in HH, disassembling and cleaning up HH, and help feeding HH volunteers to keep them going! There are many ways we can help our department succeed if we all work together.

CEO notes from 2023:

This year has been slow for building in town. As you can see, the above lists identify most of the residential units added have been mobile homes. There has been zero development application to the Planning Board. The residents of Kenduskeag who attend the town meetings approved the updated flood plain ordinance and maps offered by FEMA.

George S. Taylor Assistant Fire & EMS Chief

Greeting's,

As we enter 2024 we'd like to say thank you to our town's citizens and the selectboard for their support through the past year. We also want to thank our members for their continued dedication to serving our community. In 2023 Kenduskeag Fire-Rescue was dispatched to 229 Calls for service 144 EMS and 85 Fire.

In 2023 we accomplished a big project focused on CPR and cardiac care including the purchase of a cardiac monitor and ARM mechanical cpr device. We also were able to purchase an AED for the town office and recreation field. We are hoping to purchase one more AED in 2024 for the Case memorial library. The majority of this was funded through a grant from the Stephen and Tabitha King foundation.

Large goals for 2024 include seeking additional grant funding for much needed equipment upgrades. We will specifically be focusing on replacing our self contained breathing apparatus or SCBA's. The total cost of replacement is around \$ 90,000. Some of our SCBA's date as far back as 1998 and parts are becoming hard to find. We've applied for grant funding through Gloria C. MacKenzie foundation for this project and are hopeful we will be approved for the next round of the process after April 15th.

A friendly reminder to change your smoke detector batteries with each daylight savings time.

STATE OF MAINE
OFFICE OF THE GOVERNOR
1 STATE HOUSE STATION
AUGUSTA, MAINE
04333-0001

Dear Maine Resident:

In January, I was privileged to take the Oath of Office to begin my second term as your Governor. I am deeply humbled by the trust the people of Maine have placed in me, and I look forward to continuing to work hard over the next four years to improve the lives and livelihoods of Maine people.

Over the past four years, we have made real progress. We have expanded health care, leading to the largest decline in the uninsured rate of any state in the nation. We fully funded the State's share of public education. We delivered two-years of free community college. We fully restored municipal revenue sharing to five percent. We delivered substantial tax relief, nation-leading inflation relief, and emergency energy relief to help Maine people through difficult times.

Through the Maine Jobs & Recovery Plan, we are strengthening and diversifying our economy. In 2022, our state's gross domestic product – a key measure of economic growth – grew at the 9th fastest rate in the United States. People are moving to Maine at a rate higher than any other New England state, and at one of the highest rates in the nation. We have enacted balanced budgets, and we have built up Maine's "Rainy Day" fund to a record high, preparing our state to continue meeting its commitments in the event of an economic downturn.

While I am proud of the progress we have made, there is more to do, like addressing the housing crisis, the workforce shortage, and the opioid epidemic and strengthening health care, education, and the economy. I know that by working together to tackle these issues head-on, we can improve the lives and livelihoods of Maine people and make Maine the best place to live, work, and raise a family.

Thank you again for the honor to serve you as Governor.

Thank you,

Dear Friends,

Thank you for allowing me to add my congratulations and gratitude for the positive differences each town and city in Maine makes for its people and ultimately for Maine as a whole. When I travel around the state and visit the various regions in Maine, I see firsthand the differences you all make, the focus you put on excellence, and the helping hands you extend to neighbors. I have learned valuable lessons watching your collaborations with each other. They got the State motto right – *Dirigo* – because you all certainly do lead the way and exemplify the best of Maine.

First, it was a true honor to be appointed to the Senate Veterans Affairs Committee this year to help address the challenges facing Maine veterans. We owe our way of life to these brave men and women and share a collective responsibility as a grateful nation to give back to our veterans. That means delivering veterans the benefits they have earned, addressing the veterans' suicide crisis, improving transition-to-civilian-status programs, and ensuring every veteran can access essential services, like affordable housing and behavioral healthcare.

Next, one of the most significant infrastructure projects in Maine history is underway: affordable and universal broadband availability throughout the state. Supported through funding in the bipartisan infrastructure bill, we are now within striking distance of broadband service even in our most rural communities. Additionally, infrastructure improvements in our roads and bridges, water and septic upgrades for our towns and support for our workforce and employers are also in the pipeline. Serious steps are being taken to address the toll from substance abuse and to provide our older neighbors with resources to help them continue to stand strong throughout their golden years. It is my goal here to make sure everyone has access to stable employment opportunities and quality healthcare which is of critical importance to keep our families healthy and happy.

I am thankful for each town in Maine for their commitment to their communities, to their citizens, and to this country. I will do my part to listen to your concerns and work to find useful solutions to the issues you face. My offices throughout Maine remain available to you if you face hurdles with the federal government, whether it be veteran issues, social security problems, student loans, immigration, tax assistance and more. I hope you will reach out of my offices in Presque Isle, Bangor, Augusta, Portland, or Biddeford and allow me the chance to be part of your solutions. Together, I know we can continue to build a stronger, brighter future for our great state.

Maine is known for our grit and resiliency and we are making great strides — something others across the country have noticed. Thank you for being one of the reasons Maine is so special; it is not only a pleasure to serve you — it is a pleasure to know you. Mary and I wish you a happy and safe 2024.

Best Regards,

ON INTELLIGENCE

Dear Friends:

It is an honor to serve the people of Maine in the U.S. Senate, and I welcome this opportunity to share an update on issues important to Maine and America.

One of my priorities for 2023 has been to improve the appropriations process in Congress – the way it decides how to spend taxpayer money. I took over as the Vice Chair of the Senate Appropriations Committee last year. Along with Chair Patty Murray, we decided the best change we could make was not to do something new. Instead, it was to do something old – that is, go back to the regular and transparent committee process that we used to have.

Part of restoring this process included holding 50 public Committee hearings, which allowed for input from senators on both sides of the aisle. As a result, for the first time in five years, the Senate Appropriations Committee passed all twelve of its funding bills on time. This was done with strong bipartisan support. In fact, seven of them passed unanimously.

Now, we need to work with the House of Representatives to pass these twelve bills and turn them into laws.

These bills contain funding for a wide range of Maine priorities, including support for the workforce at Bath Iron Works and Portsmouth Naval Shipyard, our lobster industry, infrastructure improvements, affordable housing, biomedical research, veterans, and heating assistance programs like LIHEAP. These bills also contain nearly \$590 million in Congressionally Directed Spending for 231 projects throughout the State of Maine. These projects would help promote job creation, expand access to health care, and improve public safety, infrastructure, and important resources in communities across all 16 counties of our state. I will continue to work to get these bills signed into law in the new year.

On October 25, the horrific mass shooting in Lewiston claimed the lives of 18 Mainers and injured 13 others. In response, I led Maine's Congressional Delegation in requesting an independent investigation by the U.S. Army Inspector General into the events leading up to the shooting. On December 15, the Under Secretary of the Army wrote to inform me that such an investigation will take place, and the Army Inspector General has instructed her team to immediately begin preparing to conduct this investigation. While nothing can undo the events of October 25, I will continue to work to understand what happened and what could have been done differently, and to find answers for the victims, survivors, and their families.

No one works harder than the people of Maine, and this year I honored that work ethic when I cast my 8,855th consecutive roll call vote.

As we look ahead to 2024, I remain committed to addressing the concerns of Maine families and communities. If you need assistance or wish to share your thoughts, please do not hesitate to reach out to one of my six state offices.

Sincerely,

Susan M. Collins

Congress of the United States
2nd District of Maine

Dear Friends,

I hope this letter finds you safe and well. It's an honor to continue serving as your representative in Congress, and I take the responsibility very seriously. I appreciate the opportunity to update you on what I've been working on behalf of the people of the Second Congressional District.

Maine's heritage industries are the backbone of our state's economy. That is why one of the first bills I introduced in this Congress was the *Northeast Fisheries Heritage Protection Act*, which would prohibit commercial offshore wind energy development in Lobster Management Area 1 (LMA 1) in the Gulf of Maine. LMA 1 was identified by the Bureau of Ocean Energy Management (BOEM) as a potential commercial offshore wind site. LMA 1 is a critical and highly productive fishing ground for a variety of sea life, including lobster. Prohibiting offshore wind development in LMA 1 would help to avoid conflict with the New England commercial and recreational fishing industries. Additionally, the bill would initiate a federal study on the environmental review processes of any relevant Federal agencies for offshore wind projects in the Gulf of Maine.

I also continue to advocate on behalf of our veterans and those providing care to our former service members. The current pay for VA employees in the Kennebec and Penobscot counties does not reflect the critical services they are providing. As the oldest state in the nation, with the fifth highest veteran population, Mainers rely on the services offered at the Department of Veterans Affairs (VA) facilities. That's why recently, Senator Collins, Senator King, Representative Pingree, and I called on the Biden Administration to increase locality pay for VA employees in Kennebec and Penobscot counties. The level of care received is impacted by job vacancies, and the high turnover rate among its healthcare workforce is often the result of pay and compensation issues, which is further exacerbated by the increased cost of living.

Lastly, I'm excited that Mainers are continuing to reap the benefits of the *Bipartisan Infrastructure Law* (BIL). Recently, millions of dollars in grants have been awarded across the state, including \$35 million through the U.S. Department of Transportation's Culvert Aquatic Organism Passage (AOP) program to conserve spawning and migratory habitats for native fish species in Maine, \$460,000 through the Airport Infrastructure Grant (AIG) program for the Princeton Municipal Airport, Stephen A. Bean Municipal Airport, and Dexter Regional Airport, and nearly \$8 million through the Buses and Bus Facilities Program for Bangor's bus system. These investments are critical to ensuring Maine's infrastructure and will help to ensure Mainers and businesses across Maine are connected.

Regardless of the year, one of my top priorities is ensuring I'm accessible to you. My staff and I can help answer questions about and navigate federal programs; find resources in Maine; and resolve issues with Medicare, Social Security, the VA, and other federal agencies and programs. We are here to help:

Do not hesitate to reach out and voice an opinion on legislation, let us know about local events, or seek assistance navigating federal agencies or programs. It's an honor to represent you in Congress, and I wish you a healthy and prosperous year to come.

THE MAINE SENATE
131st Legislature

Dear Friends and Neighbors:

I want to thank you for giving me the opportunity to serve you in the Maine Senate. It has been an honor to work on your behalf to make our state an even better place to live, work, and conduct business. I am grateful you have put your trust in me, and I will continue to work tirelessly on behalf of the people of Senate District 4.

The First Regular and First Special Sessions of the 131st Maine State Legislature were notable as there were over 2,600 legislative bill requests and 2,019 of them were officially printed as Legislative Documents (LDs). No legislature this century has had as many LDs printed during its first year.

One area of success was in the Highway Fund. In the past, the Highway Fund has been supported through gasoline taxes, which have been declining for years due to more fuel-efficient and electric/hybrid vehicles, and bonding. However, we now have created a sustainable source of funding to maintain our transportation infrastructure. This is done by dedicating 40% of the vehicle sales tax and the sales and use taxes collected by the Bureau of Motor Vehicles. It is predicted to raise more than \$200 million for infrastructure each biennium.

The Second Regular Session began on January 3rd of this year. I am eager to discuss the issues important to all of you. I have heard from many of you regarding the biggest concerns you are facing, including the protection of Maine's natural resources, increased costs of everyday items, access to health care and child care, education, housing, inflation, child welfare, mental health and substance abuse, workforce development, and crime, among others. I will continue to do all I can to advocate for your priorities in Augusta.

Again, thank you for electing me to serve you in the State Senate. The 131st Legislature has a great deal more work to do. However, I believe that if we work collaboratively, there is nothing we can't accomplish. Please feel free to contact me by calling (207) 287-1505 or emailing me at Stacey.Guerin@Legislature.Maine.Gov if you have comments, questions or if you would like assistance in navigating our state's bureaucracy.

January 2024

Dear Friends and Neighbors,

As the Second Regular Session of the Maine State Legislature convenes, I would like to thank you for granting me the opportunity to serve the citizens of District 34 in the Maine House of Representatives. Representing you is an honor and a privilege I take seriously. This is a wonderful opportunity for me to make a difference in the community and I am looking forward to the new challenges that wait in the 2024 legislative session.

The First Regular Session of the Legislature was a busy one, as lawmakers faced many difficult issues and decisions. I believe you will be pleased with some of the accomplishments of the 131st Legislature so far. My colleagues and I were able to pass multiple bi-partisan spending agreements that included supporting hospitals and long-term care facilities, working to stabilize highway and road funding, and improving the efficient delivery of government services. I continue to support legislation that would reduce high energy costs while shoring up supply resiliency and capacity, as well as procurement and generation priorities.

I will continue to serve on the Joint Standing Committee on Health and Human Services as we tackle matters that are crucial to our community. I encourage you to actively participate in your state government by monitoring all legislative proposals being worked on at the State House by visiting the Legislature's website at www.legislature.maine.gov. From here, you can browse bill summaries, view our legislative session and public hearing schedules, submit testimony, listen to committee hearings or watch live streaming video of the House and Senate.

Once again, thank you for the opportunity to represent you. Hearing your thoughts on the issues that are important to you helps me to better serve you. Please, do not hesitate to call anytime if you feel you need my assistance. If you would like to be added to my email list, you can do so by emailing me directly with your request at Abigail.Griffin@legislature.maine.gov.

Sincerely,

Independent Auditors' Report

To the Select Board
Town of Kenduskeag
Kenduskeag, Maine

OPINIONS

We have audited the accompanying financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of Town of Kenduskeag, Maine, as of and for the year ended December 31, 2023, and the related notes to the financial statements, which collectively comprise the Town of Kenduskeag, Maine's basic financial statements as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the Town of Kenduskeag, Maine, as of December 31, 2023, and the respective changes in financial position for the year then ended in accordance with accounting principles generally accepted in the United States of America.

BASIS FOR OPINIONS

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Town of Kenduskeag, Maine, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

RESPONSIBILITIES OF MANAGEMENT FOR THE FINANCIAL STATEMENTS

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation and maintenance of internal control relevant to preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Town of Kenduskeag, Maine's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE FINANCIAL STATEMENTS

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in aggregate, they would influence the judgment made by a reasonable user based on financial statements.

3

PO Box 313, Levant, Maine 04456
Phone: (207) 884-6408 Email: maineaudits@gmail.com

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Town of Kenduskeag, Maine's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Town of Kenduskeag, Maine's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

REQUIRED SUPPLEMENTARY INFORMATION

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis, schedule of changes in net OPEB liability and related ratios, and budgetary comparison schedule, on pages 5-9, 27, and 28 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

SUPPLEMENTARY INFORMATION

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Town of Kenduskeag, Maine's basic financial statements. The combining nonmajor fund financial statements, schedule of property valuation, assessments, and appropriations, schedule of taxes receivable and schedule of departmental operations are presented for purposes of additional analysis and are not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and related directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the combining nonmajor financial statements, schedule of property valuation, assessments, and appropriations, schedule of taxes receivable and schedule of departmental operations are fairly stated, in all material respects, in relation to the basic financial statements as a whole.
